

Gresham Primary School Maths Targets
Year One Targets

Name: _____

Autumn Term = **YELLOW**
Spring Term = **GREEN**
Summer Term = **BLUE**

NUMBER & PLACE VALUE	CH	TE	MO
- I can count up to and past 100, from any number.			
- I can count, read and write numbers up to 100.			
- I can say what is one less or one more than a given number.			
- I can count and show my answer using pictures, objects or a number-line.			
<i>- I can count forwards and backwards up to and past 100 in bigger jumps.</i>			
<i>- I can solve tricky problems and I can explain how I know the answer.</i>			

FRACTIONS	CH	TE	MO
- I know what a half is, and can find half of a number, shape or object.			
- I know what a quarter is, and can find a quarter of a number, shape or object.			

ADDITION, SUBTRACTION, MULTIPLICATION AND DIVISION	CH	TE	MO
- I can count in 2s, 5s and 10s.			
- I know what these signs are called and what they mean: + - =			
- I can use my number-bonds to 20 to help me find the answer to a question.			
- I know what add, subtract, divide and multiply mean.			
- I can add or subtract numbers to and from 20.			
- I can find the missing number in questions like this. $9 - ? = 2$			
- I can use objects and pictures to help me answer simple multiplication and division questions.			
<i>- I know my number-bonds to 20 securely and can use them to solve more complex problems.</i>			
<i>- I can add to, and subtract from 20 and bigger numbers in my head.</i>			

MEASUREMENT	CH	TE	MO
- I know why we measure things.			
- I can compare 2 objects, and know which one is heavier, taller, quicker etc.			
- I can measure how tall (height) and how long (length) objects are.			
- I can weigh objects to see how much they weigh.			
- I can recognise different coins and notes, and how much they are worth.			
- I can tell the time to o'clock and half past on the clock.			
- I can draw hands on a clock to show the time.			
- I know the days of the week.			
- I can remember the months of the year.			
<i>- I can solve tricky problems involving time, money etc.</i>			
<i>- I can explain how I found the answer to a problem.</i>			

GEOMETRY	CH	TE	MO
- I can recognise and name simple 2D shapes.			
- I can recognise and name simple 3D shapes.			
- I can begin to describe simple turns, including whole turns, half turns and quarter turns.			
- <i>I can compare 2D shapes to other 2D shapes.</i>			
- <i>I can compare 3D shapes to other 3D shapes.</i>			

Normal font = working at ARE.

Bold font = working above ARE/towards mastery standard.
