

You will need to be using **Google Chrome** (even on a Mac computer) to access google meet.

1) Log into google classroom as normal on your child's account

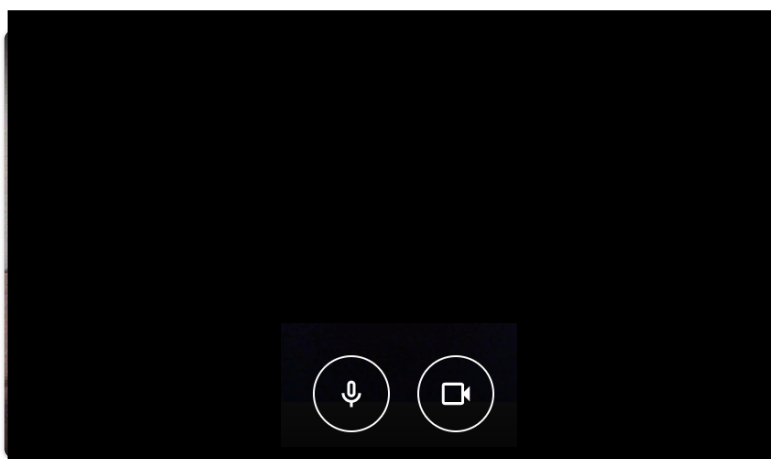

2) Click on the classroom and go to the stream.

3) Click on the 'meet link' at the top, under the class name.

4) Allow access to your microphone and camera and then click on 'Ask to join' to get into the meeting.

5) When the teacher is ready for the meeting, they will let you in. If you are too early, they may have to decline your invitation so they can continue their current meeting. Just refresh or click on the link again to re-enter.
