What if I use a re-usable tree? No problem, please share with any friends and

family who are going to buy a tree from somewhere. They may as well buy it

from Gresham!

Please share with friends and family, the more we sell, the more we can raise

for our school.

Where is the money raised going? The PA are continuing their support of the

Wellbeing Programme being run this year and every penny raised will go to

helping fund this for the next term.

Dare to Different

Thank you to everyone who donated to the 'Dare to be Different' day last
