

PA news

On Wednesday, the Parent Association met to finalise ideas for this half term's events and activities for the children.

We are pleased to announce that over **£250** was raised from our Halloween Cake Sale. Thank you to Claire and volunteers for arranging that. We hope all the children enjoyed a cake or two!

There is plenty of festive fun to get the children excited for Christmas. This includes:

- **Christmas Tree Sale and (Mini) Christmas Market.** (Saturday 4th December 11am-2pm) This year we are going to be selling a range of lovely Nordic Non-Drop Christmas Trees, with all the money raised going back into the school. These will be going on sale via the Gresham PA website soon. More info next week.

- Christmas Bauble Competition

- Secret Santa

- We may even enjoy a visit from Santa himself if the children keep themselves on the 'Good' list...

100 Club- This helps generate money for the Gresham teachers to spend on their classes/classrooms every year. 100 'balls' are sold to parents/carers, each ball costing £1/month or £12 a year. Each month there is a draw, with the winner receiving £25, runner up prizes of £10 and £5. The rest goes towards the teachers at the end of the year.

We need a parent/carer to take oversight of this. Its already set up and running nicely. All that person would need to do is:

- Draw three numbers each month.

- Contact the 3 winners and send them the prize money.

- Check monthly payments have been made.

Estimated at 1 hour per month.
