

# GRESHAM PRIMARY SCHOOL

## BEST VALUE STATEMENT 2022

### REASONS FOR THE POLICY

The Governing Body is accountable for the way in which the School's resources are allocated to meet the objectives set out in the School's Improvement Plan. Governors need to secure the best possible outcome for pupils, in the most efficient and effective way, at a reasonable cost. This will lead to continuous improvement in the school's achievements and services

### What Is Best Value?

The Governors will apply the four principles of *best value*:

- **Challenge** - Is the School's performance high enough? Why and how is a service provided? Do we still need it? Can it be delivered differently? What do parents want?
- **Compare** - How does the school's pupil performance and financial performance compare with all schools? How does it compare with LA schools? How does it compare with similar schools?
- **Consult** - How does the school seek the views of stakeholders about the services the school provides?
- **Compete** - How does the school secure efficient and effective services? Are services of appropriate quality, economic?

### AIMS OF THE POLICY

The Governors, Headteacher and Leadership Team will apply the principles of *best value* when making decisions about:

- the allocation of resources to best promote the aims and values of the school.
- the targeting of resources to best improve standards and the quality of provision.
- the use of resources to best support the various educational needs of all pupils.

Governors, Headteacher and Leadership Team will:

- make comparisons with other/similar schools using data provided by the LA and the Government, e.g. Benchmarking, quality of teaching & learning, levels of expenditure
- challenge proposals, examining them for effectiveness, efficiency, and cost, e.g. setting of annual pupil achievement targets, possible expansion,
- require suppliers to compete on grounds of cost, and quality/suitability of services/products/backup, e.g. provision of computer suite, redecoration
- consult individuals and organisations on quality/suitability of service we provide to parents and pupils, and services we receive from providers, e.g. assigned inspector, Ofsted, maintenance consultant, borough Energy Group.

This will apply in particular to:
