Reading

- retrieve, select and describe information, events or ideas
- deduce, infer and interpret information, events or ideas
- make notes and use evidence from across a text to explain events and ideas
- explore how writers use language for dramatic effect
- respond imaginatively, using different strategies to engage with texts
- evaluate writers' purposes and viewpoints and the overall effect of the text on the reader
- compare how a common theme is presented in poetry, prose and other media
- compare the usefulness of techniques such as visualisation, prediction and empathy in exploring the meaning of texts

Writing

- to experiment with different narrative forms and styles to write their own stories
- to write a story from the viewpoint of one of the characters
- to write for different purposes based on a text
- a focus on spellings: year 5 and 6 words, homophones, using dictionaries and thesauri
- using commas to clarify meaning or avoid ambiguity in writing
- using brackets, dashes or commas to indicate parenthesis
- add well-chosen detail to add interest
- use the features and structures of different text types
- choose vocabulary appropriate for the task and engage for impact
