Gresham Primary School

Year 3 Half Term on a Page: Summer Term 2023 (1)

Dear Parents/Carers,
This is what we will be learning in Year 3 during the first half of the summer term:

Maths
Fractions (part 2): adding, subtracting and finding fractions of amounts
Then, moving onto money: converting between pounds and pence, adding and subtracting money and finding change
Finishing with time: Roman numerals to 12, telling the time to 5 minutes and to the minute.

English – 'A Nest Full of Stars' by James Berry (poetry)
In **reading** activities, we will be learning to:
- increase our familiarity with a wide range of books including fairy stories, myths and legends and retelling some of these orally
- discuss words and phrases that capture our interest and imagination
- predicting what might happen from details stated and implied
- drawing inferences such as inferring characters' feelings, thoughts and motives from their actions, and justifying inferences with evidence
- listen and respond appropriately to adults and peers
- participate in discussions, presentations, performances, role play improvisations and debates
- consider and evaluate different viewpoints, attending to and building on the contribution of others

In **writing** activities, we will be learning to:
- writing our own poetry using our own ideas and around a given theme
- as part of writing sessions, performing poetry thinking carefully about body movements and speech when reading aloud
- continuing to write for different purposes including recounts and short narratives
- focusing on interesting and powerful vocabulary
- writing in paragraphs
- continuing to be aware and use correct punctuation including: full stops & capital letters, commas, apostrophes and inverted commas

Science – Animals including Humans

DT – Let's Fly a Kite

RE – Caring for our World

PE – football and team games

Music – Soundstart

Spanish – Quisiera, the conjunction 'pero', 'Es' and the story: The Hare & the Tortoise, Tambien, Numbers 1 - 15

History – Righteous Royalty (continuing into the final half term)

Computing – Coding with Scratch: Learning Loops

Kind regards,
Mr Grace
