LEGISLATION AND GUIDANCE

This policy refers to the Department of Education's (DfE) statutory guidance of [school attendance parental responsibility measures](#) and the following guidance:

- Education Act 1996
- Equality Act 2010
- The Education (Student Registration) (England) Regulations 2006 (as amended)
- DfE (2020) 'School attendance'
- DfE (2016) 'Children missing education'
- DfE (2020) 'Keeping children safe in education'

INTRODUCTION AND AIMS

This policy reflects the vision and aims of Gresham Primary School.

At Gresham Primary School all staff work collaboratively to encourage every pupil to strive for excellence. Every child will be supported, challenged and valued. One way in which we strive to do this is by encouraging staff, parents and children to maximise the learning experience in order that all children reach their maximum potential. We are determined in encouraging the development of high self-esteem and for our children to take pride and ownership of their learning. In conjunction with this, we will continuously provide a clear framework for parents and staff as well as clear procedures for involving parents and/or external agencies where appropriate.

The school's expectation is for pupils to attend every day and on time. The school celebrates good attendance in assemblies, via newsletters and certificates. The school understands that there may be exceptional circumstances that may impact attendance but these are exceptional circumstances only and parents are encouraged to discuss their concerns with the school.

Our school encourages all parents/carers to work in partnership with the school in order to improve attendance and punctuality and recognises that **"parents have the primary responsibility to ensure that pupils of compulsory school age attend school regularly"** (DfE 1999).

Above 97%: less than 6 days' absence a year

Excellent attendance! These pupils will almost certainly get the best education they can, leading to better future prospects. Pupils will also get into a habit of attending school which will help in the future.

95%: 10 days' absence a year

These pupils are likely to achieve good attainment and progress and form a habit of attending school regularly. Pupils who take a 2-week holiday every year can only achieve 95%. This needs to improve and parents will receive a reminder letter and may be contacted to discuss the attendance.

90%: 19 days' absence a year

Pupils in this group are missing a month of school per year, it will be difficult for them to achieve their best. An attendance letter and/or an invite to meet letter may be sent to parents to discuss the poor attendance. If the situation does not improve, the issue may be referred to the EWO.

Below 90%

The government classes pupils in this group as "Persistent Absentees", and it will be almost impossible to keep up with learning. This is unacceptable and is a serious concern. The school and EWO will continue to work with families to improve the matter. Parents of pupils in this group could also face the possibility of legal action being taken by the Local Authority.

*NB: 1. The absentee's trigger points will determine the type of letter sent and may vary between parents/carers.

2. Where there is cause for concern, the situation will be investigated and referred to the Education Welfare Officer (EWO).

ATTENDANCE

Regular and full time attendance is essential if children are to benefit fully from their school life. There is statistical evidence which suggests that children who do not attend school regularly do not achieve at the same level to those that attend school regularly and on time. When children are absent or late, valuable learning time is lost. Therefore, it is important that children learn the importance of attendance and being punctual as part of their preparation for adult life.

The school and EWO will work with parents in order to achieve high standards of attendance and punctuality.

Parents / Carers responsibility

- Provide a minimum of **two up to date contact details** and changes of address.
- Ensure their child is in school every day and on time.

Parent/carer's responsibility:

- To inform the school as soon as possible when sudden circumstances occur which prevent a family bringing a child to school, so that the appropriate code can be recorded in the register.
- To complete an exceptional leave of absence form 2 weeks in advance stating reason for request.

Unexplained Absence

When a child is repeatedly absent and no satisfactory reason is given, the parent/carers will be referred to the Educational Welfare Officer. Regular monitoring is carried out by the Education Welfare Officer. Children who have repeated unauthorised absences, holidays or otherwise, will be contacted by the Education Welfare Officer and may be invited in to attend an attendance meeting to discuss absences and any appropriate support.

- A lack of satisfactory medical evidence for repeat illnesses.
- Unacceptable unauthorised absence.

Children Missing in Education (CME)

If a child is absent (unexplained) for at least 5 consecutive days, the Education Welfare Officer will be notified. A home visit may be carried out. If the absence continues for a total of 10 days, the family will be referred as a Child Missing in Education case for the Local Authority. You can read further on the CME guidance <https://www.gov.uk/government/publications/children-missing-education>.

Persistent Latecomers

Children who repeatedly attend school late after 8:45am will be brought to the attention of the Education Welfare Officer. Attendance letters will be issued to the parents/carers of these children. In addition, the Education Welfare Officer does unannounced gate checks.

Parents/carers should note that children who arrive late after 9:30am are given a 'U' code, which is the equivalent of an unauthorised absence and this will affect the child's attendance figures. Fixed penalty notices may be issued to parents/carers whose children persistently arrive after this time.
