BAD DEBT POLICY

2024

RATIONALE:

This policy outlines the roles and responsibilities of all staff involved in the income collection and debt management process, and presents guidelines on good practice for the efficient and effective collection of income.

POLICY & PROCEDURES

Wherever possible, income due will be collected before or at the time the relevant sale or service is provided. If this is not possible, a statement of account will be kept. The debtor will be informed of the debt as soon as possible and will be asked why they have not paid and when it will be possible for them to pay. A discussion with the Headteacher will be arranged to discuss any difficulties the debtor may be experiencing. Parents, who are debtors, may be offered the opportunity to repay the debt via a repayment schedule at the Headteacher's discretion. Whether the service will continue and a schedule for repayment will also be discussed. However, to ensure sound internal control, staff who raise the debtor's statement, such as the Finance Officer, should not also have the authority to write off debts. VAT must not be written off.

All debts will be recorded and non-payment will be followed up by issuing reminders at the following intervals: -

- The bad debtor will be informed of the failure to pay immediately by telephone and the call recorded in the "message book" – 1st reminder.
- 2 weeks from date of account statement a letter of notification will be issued and sent - 2nd reminder
- 4 weeks from date of account statement a second letter will be sent - 2nd reminder
- 6 weeks from date of account statement a final reminder will be issued and sent. (*See Appendices*)

The final reminder is sent by recorded delivery and states that the debt will be reported to the LA. The school will notify the LA and seek further advice from the relevant department. If, after every effort has been made to collect the debt and legal action, is considered impractical or, where the LA has advised it, has been unsuccessful, individual bad (irrecoverable) debts may be written off in accordance with the following procedures: -

1. Any debit under £100 can be written off by Headteacher.
2. All debits above £100 should be reported to the Governors before action is decided.
3. At the end of the financial year the Finance Officer will notify the LA of the number of cases and total value of debts written off (if any). If the total cumulative debts of more than £500 need to be written off in any one year then the Headteacher will consult with the LA.

GRESHAM PRIMARY SCHOOL

Individual amounts written off which exceed £100 must be reported to the LA as soon as practicable for authorisation by the Executive Director of Education.

The VAT element of any debt must not be written off, as this contravenes HM Customs and Excise statutory requirements.
