Vegepods and Mufti Day

I'm pleased to announce that we are going to be taking delivery of 8 vegepods on Thursday 28th March. Members of the school council, along with other children, will be building the pods and we hope the planting can start after the Easter holidays. A massive thank you to Mrs Sporle for all her

help in purchasing the pods. The school has managed to finance most of the cost through a government grant called 'Healthy Pupils Capital Funding Grant', but we would like to raise extra money for gardening tools etc. Therefore, this **Friday 15th February will be a MUFTI DAY** where children can wear their own clothes for a donation of money.

Head Lice

We have had a number of reported cases of head lice in various classes. Please take the time to treat all the family.
