Gresham Behaviour Celebration

Well done to **Year 5** for winning last week's behaviour focus of **corridor behaviour**. They have been awarded class golden time as the reward for their hard work.

The new behaviour focus for next week will be **respecting other people's property**.

Our learning focus will be **resilience**. Children will be nominated for headteacher's awards based on how well they are able to demonstrate this skill next week.

Easter Activities

We will put Easter activities that may be of interest to your children on the school website [here](#).

The Mother Nature Science camp will be held here at Gresham and Football Fever Academy will also be running a girls' football camp at de Stafford School.

Leap year event

As you are aware, the school and the Gresham Parents' Association joined forces to bring you the 2024 sponsored leap event, where the children of Gresham participated in a series of leap activities on Leap Day for your sponsorship.

This event couldn't have happened without our parent helpers who gave up their time to come and count the leaps. Thank you so much for giving up your time to help. It was a fun but long and exhausting event! On the day the children had an enjoyable session during their allotted time.

It is my great delight to announce we have raised £1,178.35, which has exceeded my expectations. I want to thank you all for getting behind the event and encouraging your children to leap.

I also want to announce that the class that raised the most money and has won the reward of Golden Time is Year 1 with a whopping £477!

All money raised in sponsorship will go directly to the school via the PA.

Thank you again for supporting this event.

Mrs Rhodes and the Parents Association.

Red Nose Day

Thank you for all the Red Nose donations via the charity buckets today. You can also donate via ParentPay at the following link:
